Dear Admiral Turner:

I have been contacted by a constituent, [redacted] who is a college sophomore and a political science and history major. He is interested in finding a position in government work and would like to know if the CIA has a summer internship program.

Any information and advice you can provide in this regard would be appreciated.

Thank you for your assistance in this matter.

Sincerely,

Honorable Robert Morgan  
United States Senate  
Washington, D.C. 20510

Dear Senator Morgan:

Thank you for your letter of 10 November 1977 requesting a continuing access clearance for compartmented information for your Legislative Assistant, John J. Stirk.

As a result of concern expressed by President Carter, which I share, about the widespread dissemination of sensitive intelligence matters, we are actively studying measures which would reduce the number of people exposed to this information. Until the matter is resolved, I feel we must follow existing Community policy, which excludes S. Res. 4 designees, as well as personal staffers, from access to compartmented information.

I am aware of the important responsibilities which you have assigned to Mr. Stirk, including those under S. Res. 4. We will certainly attempt to fill all your needs without compartmented clearances. I will advise you if any change is made with respect to the procedures mentioned above.

Yours sincerely,

/s/ Stansfield Turner

Admiral Stansfield Turner  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Director:

Please take the necessary action to have my Legislative Assistant, John J. Stirk, cleared for access to sensitive compartmented information.

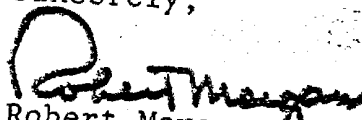

I have certified Mr. Stirk to the Committee on Armed Services and it is necessary for my work on that Committee, particularly in the areas of reconnaissance and intelligence in the the Subcommittee on Tactical Air Power, that he be granted the clearance. By so certifying Mr. Stirk, under Section 705.(c)(1) of S.Res. 4 he has all the privileges of a professional staff member of the Committee on Armed Services.

This access for Mr. Stirk is also necessary because I have designated him as the one person on my staff to receive information from and assist me in my duties on the Select Committee on Intelligence.

Mr. Stirk was released from active duty with the Air Force on 30 September 1977 and entered my employ the next day, thus he is already cleared to Top Secret.

I look forward to your early reply in this matter since I am planning a trip to Asia and the Near East in early December to visit certain defense and intelligence activities and require the assistance of Mr. Stirk during the trip.

Sincerely,

  
Robert Morgan
